REPORT ON REVIEW OF INTERIM CONDENSED CONSOLIDATED FINANCIAL STATEMENTS TO THE SHAREHOLDERS OF SEERA INVESTMENT BANK B.S.C. (c)

Introduction

We have reviewed the accompanying interim condensed consolidated financial statements of Seera Investment Bank B.S.C. (c) (the "Bank") and its subsidiaries (the "Group") as at 31 March 2015, comprising of the interim consolidated statement of financial position as at 31 March 2015 and the related interim consolidated statements of income, cash flows and changes in owners' equity for the three month period then ended and explanatory notes. The Board of Directors is responsible for the preparation and presentation of these interim condensed consolidated financial statements in accordance with the accounting policies disclosed in note 2. Our responsibility is to express a conclusion on these interim condensed consolidated financial statements based on our review.

Scope of Review

We conducted our review in accordance with International Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity". A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review, nothing has come to our attention that causes us to believe that the accompanying interim condensed consolidated financial statements are not prepared, in all material respects, in accordance with the accounting policies disclosed in note 2.

1 INCORPORATION AND ACTIVITIES

Seera Investment Bank B.S.C. (c) (the "Bank") was incorporated on 5 August 2006, under commercial registration number 62003 as a Bahrain Joint Stock Company (closed). The Bank's registered office is Building 2431, Road 2831, Block 428, Seef, Kingdom of Bahrain.

The Bank operates under an Islamic Wholesale Banking License issued by the Central Bank of Bahrain (the "CBB"). The Bank and its subsidiaries (the "Group") provide investment banking products and services that are compliant with Shari'a principles.

The interim condensed consolidated financial statements were authorised for issue in accordance with a resolution of the Board of Directors on 12 May 2015.

2 ACCOUNTING POLICIES

2.1 Basis of preparation

These interim condensed consolidated financial statements for the three month period ended 31 March 2015 have been prepared in accordance with the guidance given by International Accounting Standard 34 "Interim Financial Reporting". The interim condensed consolidated financial statements do not contain all information and disclosures required in the annual consolidated financial statements, and should be read in conjunction with the annual consolidated financial statements as at 31 December 2014. In addition, results for the three month period ended 31 March 2015 are not necessarily indicative of the results that may be expected for the financial year ending 31 December 2015.

2.2 Accounting convention

The interim condensed consolidated financial statements have been prepared on a historical cost basis, except for investment in real estate and investments classified as "non-trading investments" that have been measured at fair value.

The interim condensed consolidated financial statements have been presented in United States Dollars ("US\$"), being the functional and presentation currency of the Group. All values are rounded to the nearest thousand (US\$ '000) except when indicated otherwise.

2.3 Significant accounting policies

The accounting policies adopted in preparation of the interim condensed consolidated financial statements are consistent with those used in the preparation of the annual consolidated financial statements for the year ended 31 December 2014, except for the adoption of amendments and clarifications effective as of 1 January 2015.

FAS 23 - Consolidation

The amendments introduced in FAS 23 give clarification on the way an Islamic Financial Institution (IFI) should determine if financial statements of an investee company, or a subsidiary, should be consolidated with its own. The amendment provides clarification that, in addition to the existing stipulations in the standard, control may also exist through rights arising from other contractual arrangements, voting rights of the IFI that give de facto power over an entity, potential voting rights, or a combination of these factors. In terms of voting rights, the amendments also clarify that an IFI shall consider only substantive voting rights in its assessment of whether the institution has power over an entity. In order to be substantive, the voting rights need to be exercisable when relevant decisions are required to be made and the holder of such rights must have the practical ability to exercise those rights. Determination of voting rights shall include current substantive voting rights and currently-exercisable voting rights.

The amendments and clarifications are effective for the annual financial periods ending on or after 31 December 2015. The transition provision requires retrospective application including restatement of previous period comparatives. The amendment had no impact on the consolidation of investments held by the Group.

12 FAIR VALUE OF FINANCIAL INSTRUMENTS

Fair value is the value representing the estimate of the amount of cash or cash equivalent that would be received for an asset sold or the amount of cash or cash equivalent paid for a liability extinguished or transferred in an orderly transaction between a willing buyer and a willing seller at the measurement date.

The fair value of a quoted security is derived from quoted market prices in active markets, if available. For unquoted securities, fair value is estimated using appropriate valuation techniques. Such techniques may include recent arm's length market transactions; discounted cash flow analysis or other valuation models.

The Group uses the following hierarchy for determining and disclosing the fair value of financial instruments by valuation technique:

Level 1: quoted (unadjusted) prices in active markets for identical assets or liabilities;

Level 2: other techniques for which all inputs which have a significant effect on the recorded fair value are observable, either directly or indirectly; and

Level 3: techniques which use inputs which have a significant effect on the recorded fair value that are not based on observable market data.

The following table shows an analysis of financial instruments recorded at fair value by level of the fair value hierarchy:

12 FAIR VALUE OF FINANCIAL INSTRUMENTS (continued)

Movements in level 3 financial instruments measured at fair value

The following table shows a reconciliation of the opening and closing amount of level 3 financial assets which are recorded at fair value:

	(Reviewed) 31 March 2015 US\$ '000	(Audited) 31 December 2014 US\$ '000
Purchase of an investment Fair value changes	6,058 (357)	-
	5,701	-

An investment with a carrying value of US\$ 8,284 thousand (31 December 2014: US\$ 8,634 thousand) is carried at cost less impairment.

The fair values of financial instruments carried at amortised cost are not materially different from their carrying values as at the statement of financial position date.

Transfers between Level 1, Level 2 and Level 3

During the three month period ended 31 March 2015 there were no transfers between Level 1 and Level 2 fair value measurements, and no transfers into or out of Level 3 fair value measurement.
